STUDENT LIFE

From writhing pain and agony
To insure that we may pass
Comes this unprecedented plea
Heaven help our history class.

Save us from the 3rd degree
Bring respite to our limbs
Spare us from the (3rd) weekly test
The scourge of Mr. King

Let Miss Fastal make the blow
And damn his bones to hell
A daily martyr as we know
She hath earned it well

But there's fungus among us
And brownie point finaglin
It sits in first row front seat
The knave is Jack Abegglin

Whose voice is that which always mumbles
Who dons the flashy clothes
He comes from Africa's deep jungles
His name is Jackie Hoze

And there is one who's never game
To dance for extra credit
We needn't try to guess her name
The broad is Lea Fan Koening

Alas, what soul is this which comes in late
As hour 7 gins to ebb
And gets detentions as a fate
The corpse is Carolyn Hebb

Do away with political bitter afternoons, it is the time we hate
No more political cartoons bleep bleep room 28.

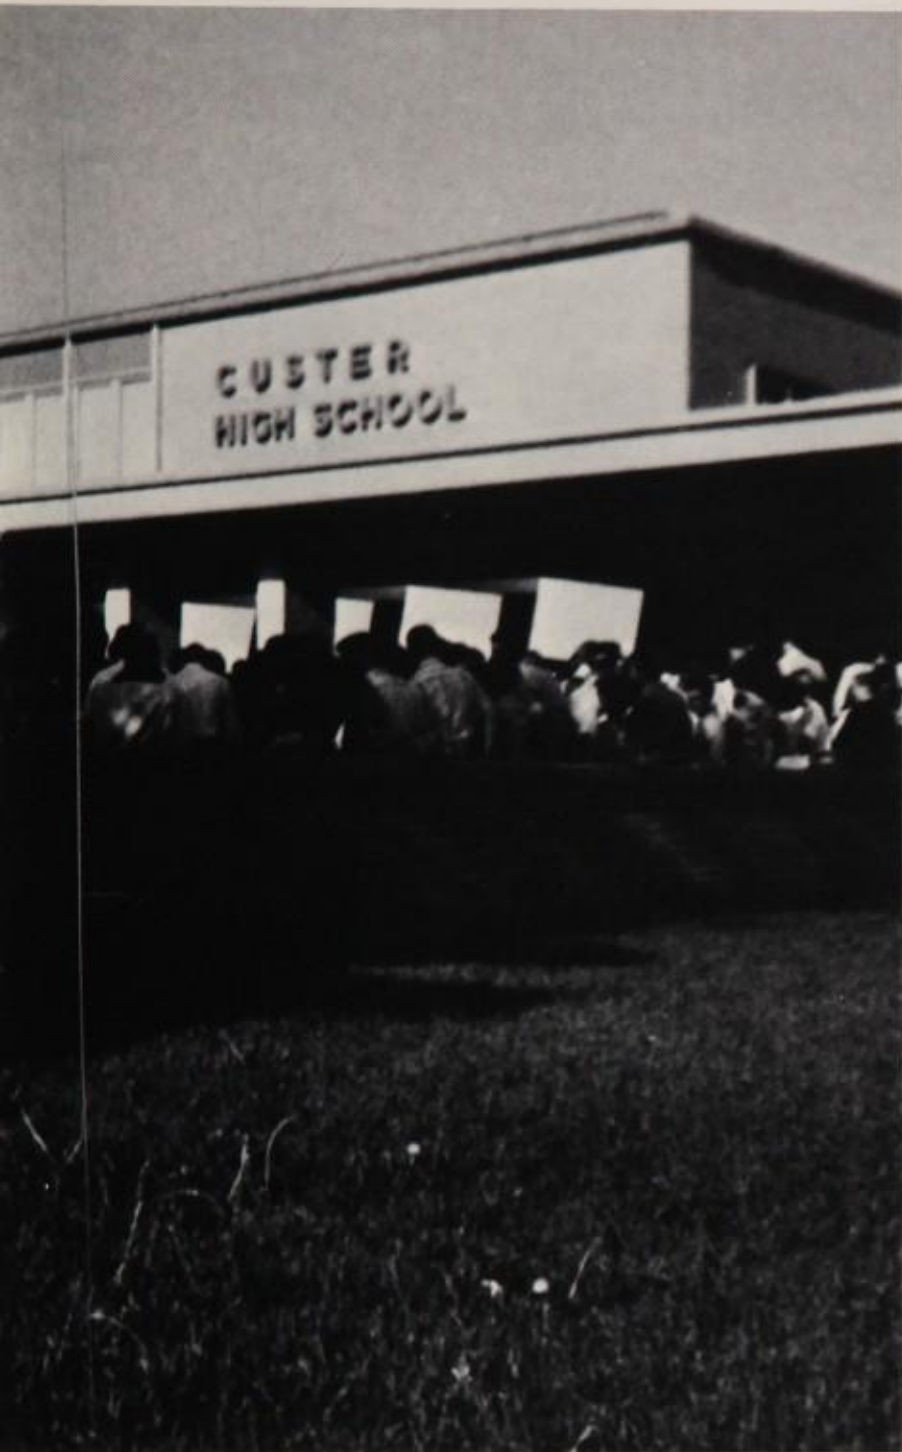

Eleven years of success have brought forth Custer's swell in outstanding achievements.

Physically, Custer has expanded - with the addition of classrooms, and mentally-aspiring to the success of her students.

The classrooms have been individual units of comprehension acknowledging the unquenchable spirit of Custer's youth.

All the aspects of Custer's curriculum put together the qualities of a student:

A student involved with the affairs of his surround-

ings--A student prepared to function with these surroundings--A student who under the guidance of others has developed these surroundings to exemplify his life.

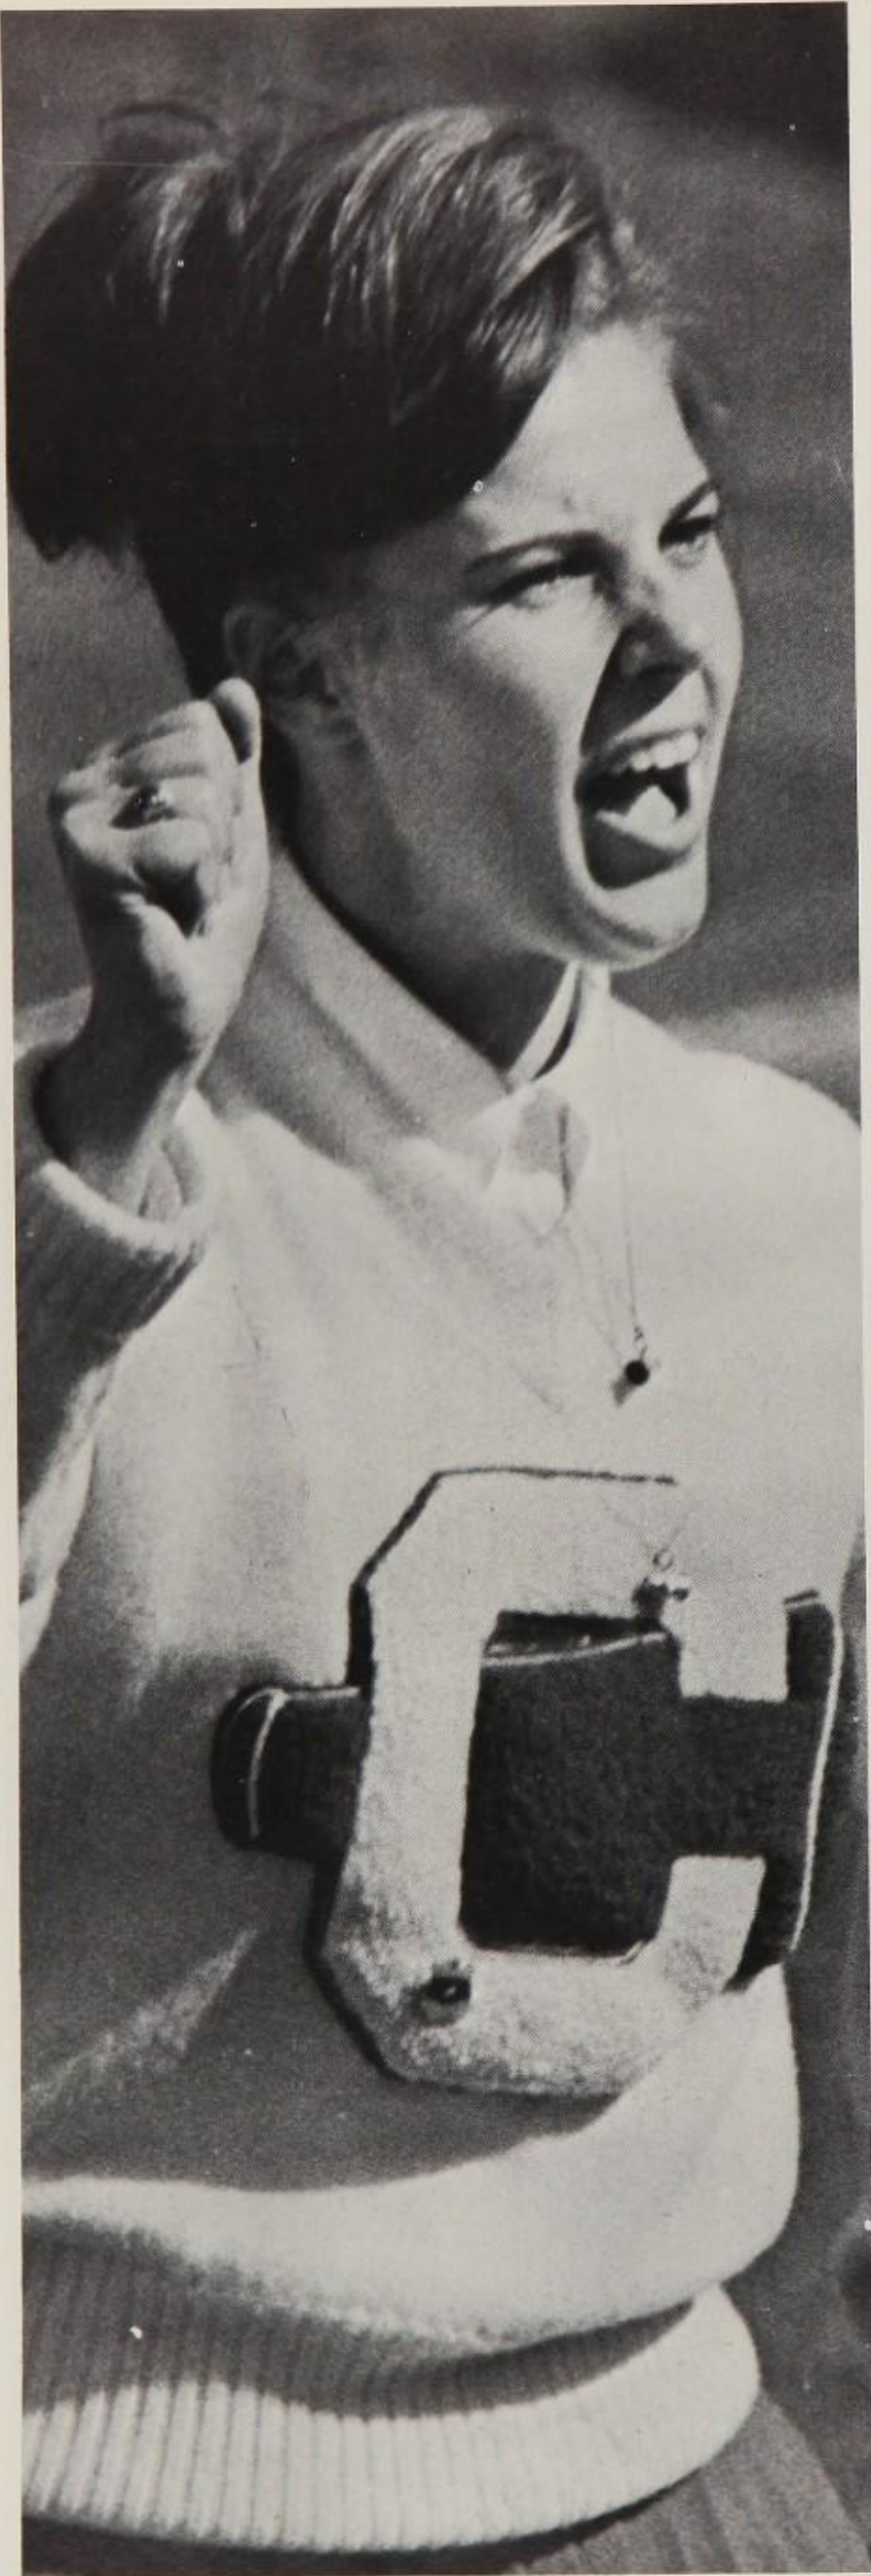

THIS IS A CUSTER STUDENT.

Custer has sent many through the doors of knowledge passing out into the archways of life.

The torch of life has been ignited these three years to inflame and surpass the ordinary--to push past and beyond the present--to enhance and create a mature society of the future.

SCHOOL SPIRIT

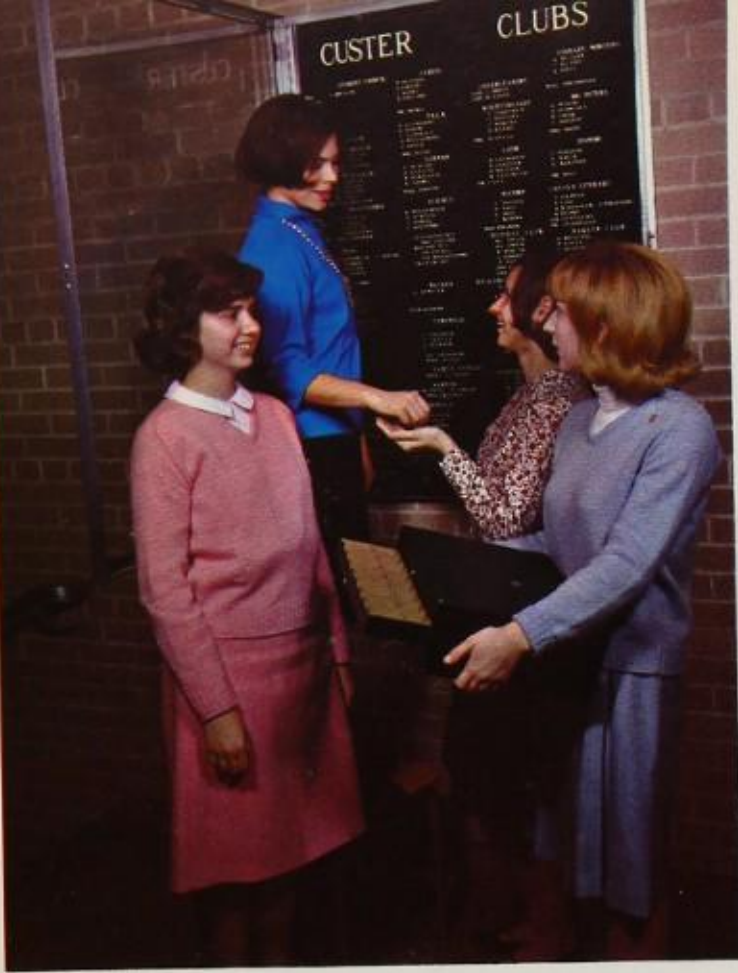

School spirit is an important part of any student body. It's the tenseness at the final moments of a close game. The roar of every success, and the determination of every failure. It's a tingling feeling of excitement, a thousand shrill voices, a multitude of shake-a-roos, and the fans themselves. It makes no difference how it comes disguised, from slacks to shorts and knee socks, tennis shoes to loafers, and various combinations of red and white, it still prevails.

Most of all, it's a feeling. A feeling of fighting enthusiasm. A determination that your team is the best team win or lose. It is something that is as important to the team as it is to the fans. It can make a team work as hard as it can and still give that extra effort that can make all the difference. You may leave a game with either a light heart or a tear, but either way you hold your spirit and the name of your school proudly before you.

PRINCIPAL'S LIST

Left to right: Margaret Macleod, Diane Wnukowski, Sally Winter, Janice Dapp, Jean Schroeder, Betty Zwick.

Custer has two programs designed for those students that possess special abilities.

Started in 1956, the Rapid Learner program provides special classes in the standard subjects and others such as art, speech and technical courses. The Superior Ability Program (S.A.P.) is yet another program with the especially gifted pupil in mind.

Students are chosen for the special classes by their school record, past test scores, and through recommendations of teachers. There are approximately 750 students participating in these special classes.

Seated left to right: Patricia Goskowicz, Jerianne Cahill, Gary Noggle, Renee Redlich. Standing: Dale Landgren, Nona DeGroot, Steve Honett.

pis

Left to right: Stepheny Holasek, Annette Felbel, James Betzhold, Laura Konetzke, Christine Kummer, Lana Day, Thomas Siedow, Janice Pate, Michael Knoelke, Sabina Strzelecki.

In its eleventh year Custer has reached an all high enrollment of over 3600 students. To educate this increasingly large student body, Custer has now a grand total of 155 teachers.

Walking down its lengthy corridors gives you the feeling that this is Custer's opening semester. The corridors present a vista of space and light; while the classrooms have a pleasant atmosphere of warmth and friendliness.

Custer is up-to-date and so are its students. They learn the fundamentals for college, business, and industry that will help them after graduating.

Athletics are a big part of student life and Custer supplies many sports from which to choose. Everything from football to tennis is offered and the students have a way of coming through for each special sport.

Custer can be proud of its students; and students can be proud of Custer for the many opportunities and advantages it has given them.

NATIONAL MERIT TEST FINALISTS

Michael Soref, Otto Tesch (Standing), Camille Palmer.

History Of Scholarships

Scholarships achieved by Custer students in the past have been worth from \$25 to \$2550 per year.

Of the 44% of the graduating class that goes on to college, many are assisted by grants from state and private universities, industrial concerns, unions, veterans's organizations, nationality grants, and occupational grants, such as nursing, teaching, and engineering. Competitive grants are issued through the National Merit Test, and National Honor Society.

The awarding of a scholarship is based upon the student's scholastic achievements, service and leadership records, and on his character.

BAND

The band under the direction of Mr. D. Schultz played rousing marches and performed field maneuvers at each of Custer's football games. The band provided music for many other school functions, such as concerts, talent shows, and graduation exercises.

A new organization, the Custer Choral Platoon, accompanied the band during the football season. The Choral Platoon executes drill formations while carrying the flags of the Nation, state and school. Other members of the platoon furnish a "guard" for the flags by marching alongside with their practice rifles. The Choral Platoon performed at football and basketball games, and at many auditorium programs.

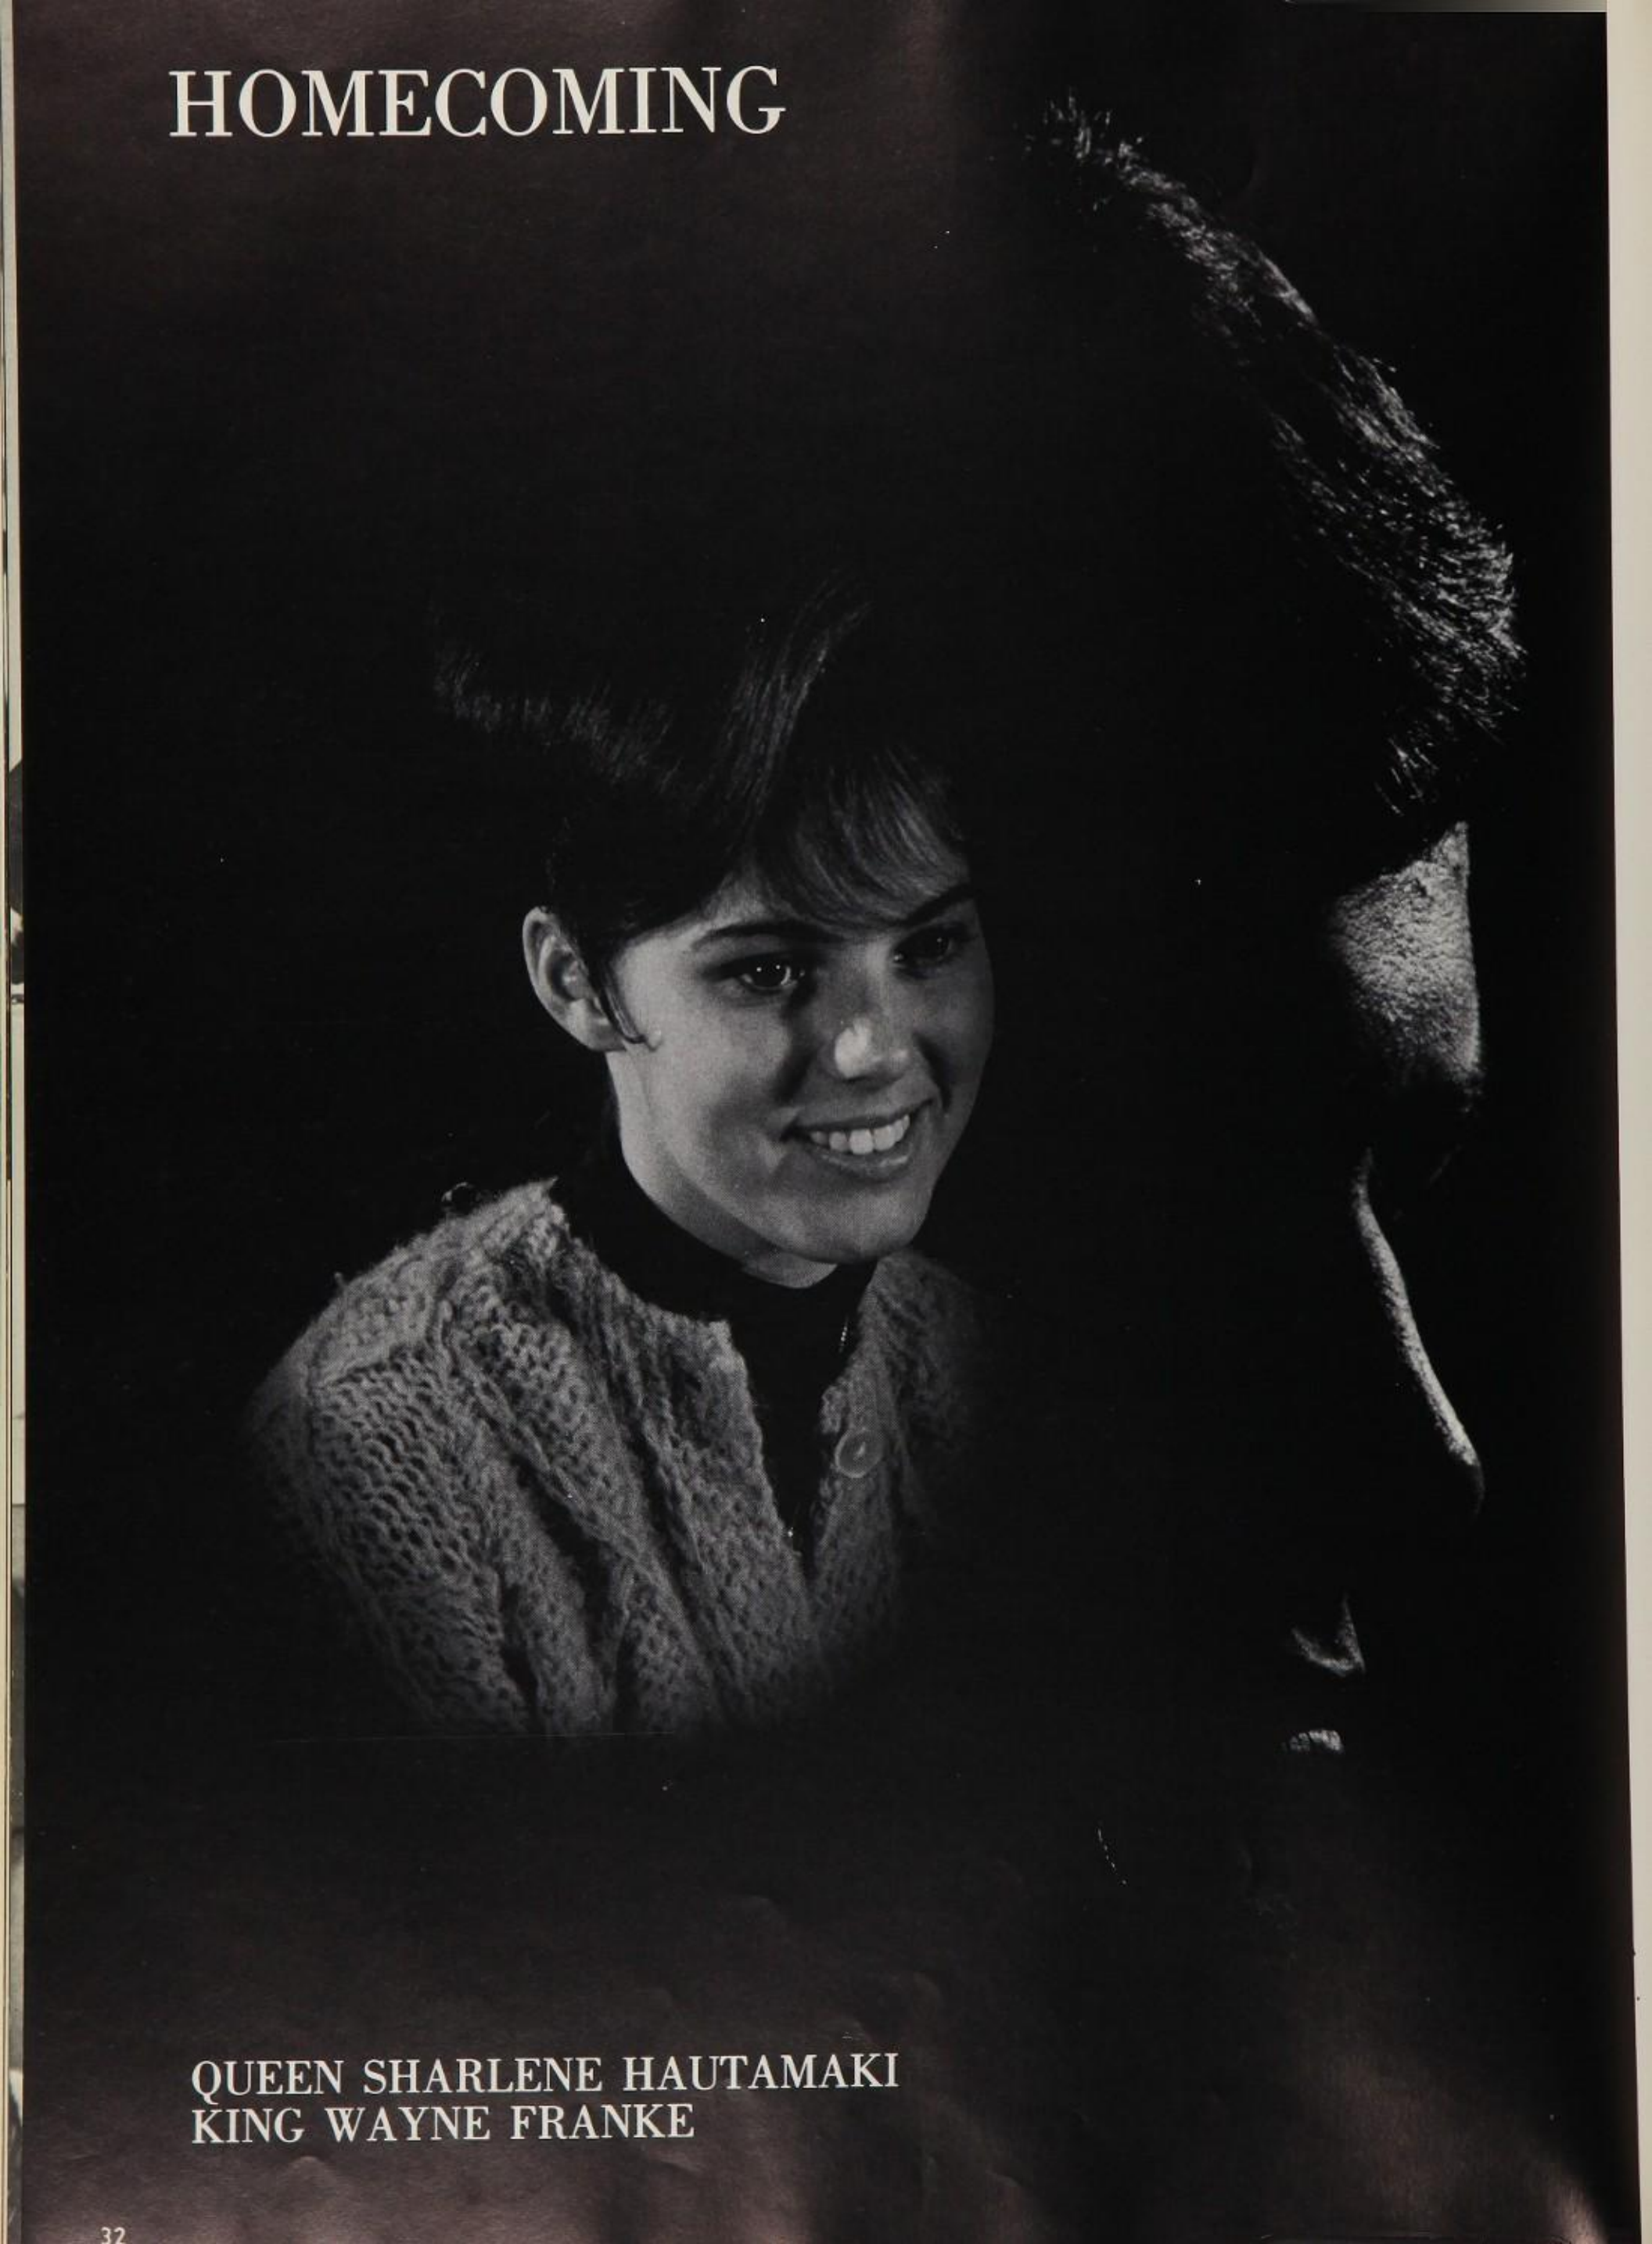

"The Sound of Music" would not have been so musical without the melodies provided for the play by the Custer Orchestra.

With Mr. E. G. Boltz conducting, the orchestra in conjunction with the band, produces many fine musical productions, such as the Spring and Winter Concerts.

HOMEcoming

QUEEN SHARLENE HAUTAMAKI
KING WAYNE FRANKE

Having a theme of "Autumn Leaves", the 1965 Homecoming was a great success. Our Royal Court was composed of Sharon Kopitzke, Marge Ciucci, Donna Horick, Jacki Franske, Barbara Zwick, Nancy Geisler escorted by Frank Susler, Pat Carlson, Roger Huckstep, Joe Gruba, Rick Miller, Joe Boppre, and Mike Dobson, respectively.

At our annual Homecoming Program, we saw Sharlene Hautamaki crowned as Queen, joined by her King, Wayne Franke.

The following Friday night, the semi-formal dance took place in the gymnasium, that was beautifully decorated in the autumn shades.

On Saturday we found ourselves out in the brisk air, urging our team to get out and fight. Unfortunately the North Division Blue Devils defeated us, but that really didn't dampen our spirits 'cause we know we'll get 'em next year!

THE SOUND OF MUSIC

The play is a giving of actors and audience...The actor gives to the audience a play he has tried to perfect over long, hard months. He loses sleep, meals, and much leisure time to obtain the best performance possible.

The audience has nothing to lose. They come to gain something and be entertained. They sit and watch patiently; and when the time comes they give their approval or disapproval.

This year's class play, "The Sound of Music", marks the seventh musical production to be presented at Custer High School. The former Broadway hit was presented on November 19th and 20th in the Custer Auditorium.

Much work went into making these nights complete sell-outs. The scenes, simple but decoratively done, were the result of the efforts of students of the art department, under the supervision of Mr. Perszyk. The costumes and outfits worn by the actors were homesewn by members of the cast and their proud parents.

While the actors performed on stage, behind the scenes, other students worked furiously to keep the show going smoothly. The boys in the lighting room to the girls in charge of make-up worked with enthusiasm in making the performance a success.

The most responsible person, of course, was the director, Miss Shirley Sherwood. Along with Mrs. Jeanann Wirth, musical director for the play; Miss Sherwood put on this production in a purely professional style.

Once again Custer has brought forth an exceptionally well-known and well-acted play to entertain parents, relatives, and friends alike.

1965

JUNIOR PROM

The theme of the 1965 Junior Prom was "Blue Moon." Queen Beth Onken, and King Pat Ellis reigned over the prom in the pale rays of a large blue moon which hung majestically over the proceedings.

Later a motorcade, which accidentally branched into two motorcades, led the way to the Nightingale Ballroom where the couples enjoyed dining and dancing at its finest. After a dreamy night among the stars, the enraptured couples drifted home with memories of the 1965 Junior Prom forever stamped in their minds.

TIP-OFF

Custer's Annual Tip-Off Dance, marking the official start of the 65-66 basketball season, was held in the Custer gym on December 3. The court included seniors Bernie Gallas and Pat Doyle; Joe Gruba and Gail Kieckaefer; Tom Miller and Jill Palaster; Juniors Scott Temperly and Sally Maki; Tom Wentworth and Kathy Malcolm; Grant Redishi and Diane Royal; Sophomores Scott Ihlenfeld and Cindy Reopelle; Steve Zimmerman and Peggy McCleary; Jeff Steinbach and Linda Chesnik. The King and Queen, who were crowned during the talent shows fourth, fifth, and sixth hours Friday were Jeff Steinbach and Linda Chesnik. The Senior Attendants were Tom Miller and Jill Palaster; and Junior Attendants were Scott Temperly and Sally Maki. The proceeds from the dance went to the Student Council Scholarships fund.

MIDSHIPMEN SING FOR SENIORS

THE CLOSING DOORS . . .

Graduating seniors will pass only once through these years---and they will remember: Clash and strength of those games, studies and dances. They will remember---A year or two, or---embracing, sunsets that have deepened the depths of these years. Let us look beyond the closed and quiet. The horizons beckon, to you--the graduate.

The brightness surrounds a vacant star. Put flight into those limits of self, climb, succeed. Search for life and pursue happiness, that extends from these brief years at Custer. The doors have been shut and a new set of doors has opened---to all.

CARL ZIMMERMANN

“KNOW YOURSELF”

"When Mr. Michalak honored me with the invitation to talk with you tonight, he gave me one of the toughest assignments I've ever been handed.

What do you say to a group of high school graduates that hasn't been said to them before? Young people have been criticized...counseled...consoled...condemned...by the best of the so-called experts. It's no wonder today's teenagers become confused. Half of the adults are telling them to "Find Themselves"...and the other half are telling them to "Get Lost".....

Take Advice...from your parents, your teachers, your clergymen, and other adults you respect. And take that advice willingly, or it's useless. Keep in mind, those adults around you have won and lost far more often than you have in your tender years. They've already gotten a few bloody noses...The experience which they can pass on to you may be very helpful.

Know Yourself...Get to know your abilities, your limitations. All of us can excel in some area, fail miserably in others. Once you find out, and admit, to yourself that you do have limitations, your abilities will shine brighter than ever.

Be Enthusiastic...Never be afraid to come up with refreshing new ideas. The world needs them, and how. Throw yourself completely into everything you do. It's the quickest, surest way to fulfillment, success and happiness.

Keep on Learning...Never stop. Keep yourself informed, constantly aware of what is happening around you. Through formal education at a college or university, or a technical training school...Yes or course. But, more! Read everything you can get your hands on, newspapers, good magazines and books. Get into discussions with stimulating people who know more than you do. Devour any worthwhile information. Does that sound like a drag? Really, it isn't. Because all these things...The newspapers, books, magazines, good television programs, all reflect the exciting world around you. So, how could they possibly be a drag? When you keep yourself informed, when you have the facts, then you're equipped to decide the issues. You make the decisions, you don't permit someone else to do it for you..

I hope through your work...your hope...and your prayer...you may too say to God..."Stay, you must not strike it. I'm in the way. And I will never move from where I stand." Then, perhaps, despite all the despair...the evil...you might find...God may indeed, through you...stay his hand. And give you the chance to help make it a better world. So good luck, Custer graduates. May you live the good life to the fullest. May you find success in the work you will someday choose. May you find love and happiness in the family life you will someday build for yourself and for your loved ones.

Sharpen and improve your talents, your capabilities; don't lose that energy you have now. You and your fellow graduates are needed out there. Don't let us--or yourself down.

LETTERMAN'S CLUB PROMOTES ATHLETICS

The Letterman's club is both a social and project organization open to Custer boys who have won a letter in one field of Custer's athletics. The club sells candy at the basketball games to raise money to buy letters. Each year the club leaves something to the school. Last year they left a powder box for the team room. The year before that they left an electric razor. Each year the club holds a picnic at Doctors Park to close out the school year.

STUDENT COUNCIL SPONSORS CUSTER ACTIVITIES

The Student Council is an organization designed for the purpose of instructing the students in practical government and present workable ideas to Custer students.

One of the major tasks the Student Council has participated in is the Yuletide Gift Giving to the Chippewa Indians in Rhinelander, Wisconsin.

The sponsoring of the annual Welcome Dance, a Talent Show, welcoming of Foreign teachers, problem solving in student affairs, sales promotion of the Warrior, the presentation of an annual Student Council Scholarship, and helping with the Family Fun Fair comprise some of the activities of this busy and enthusiastic group of Custer students.

The purpose of this organization is to serve the school, give practical experience to its member students and to represent all of Custer students.

The purpose of the Math Club is to promote interest in mathematical subjects and projects not taken up in regular class work. Math Club offers the opportunity for students to get together for facts and fun.

The activities include several talks by individual math students or groups, guest speakers, and a math project fair.

The purpose of the Science Club is to offer an opportunity to students to investigate subjects of interest further than is possible in the class or laboratory. Once a week there are meetings of the separate sections of biology, chemistry and physics. Demonstrations or long term experiments are usually the main "program".

CUSTER'S CANDY-STRIPERS PROMOTE NURSING

Have you noticed any candy-stripers walking down Custer's halls the last few weeks? The red and white aprons are the new uniforms of the Nightingales, Custer's clinic monitors. They assist the doctor and nurse, promote interest in nursing, and help promote good health habits and hygiene through their work on the clinic bulletin boards.

CHESS CLUB SCHEDULES MATCHES

The chess club will play matches with the chess clubs of both West High School and Washington High School in the near future. The match with Washington is scheduled to take place at Custer during December 1965. The West High School match will probably be played earlier.

MAKE-UP CLUB ACHIEVES MASTERY

The make-up club has as its object the mastery of stage make-up art. To accomplish this end, the club meets once a week until November when the Senior Class Play is presented. After November, it meets once a month to prepare for the three major events of the second semester; the family fun fair; the variety show; and the clubs' own make-up contest.

SPANISH CLUB OFFERS CULTURAL EVENTS

Custer's Spanish Club attempts to offer a variety of interesting meetings and programs for the students who are members in it. This is done through having special speakers, films, slide presentations, an annual picnic and, until recently, an annual Christmas Fiesta, to which all students of Spanish, their parents and friends were invited to attend. The major theme running through the Club's programs is to support any and all activities regarding the Spanish language and culture and, in general, support the furtherance of the study of Spanish as an important modern foreign language.

GERMAN CLUB DEVELOPES CAMERADERIE

To develop cameraderie among German students, to make the study of German more interesting, and to give German students an opportunity to develop leadership, the officers and the sponsors plan a variety of activities. These include games making use of German, the singing of German songs, skits, travelogs by students

or teachers who have visited the German-speaking countries, and the observance of holidays and customs in the traditional German fashion.

The Christmas Program with its many German traditions is the high point of the fall semester, and the Kuster Karneval, a masquerade party, highlights the spring semester.

CUSTER CHRONICLE TAKES JOURNALISTIC LEAD

Custer's school newspaper, the Chronicle, has long been cited as one of Milwaukee's finest high school newspapers. Written, edited and printed within the Custer school complex, it provides a unique learning experience for Custer students interested in newspaper writing or the technical aspects of printing. The Custer Chronicle consists of three staffs: news, feature and sports. The staff members interview people to get the necessary information to write up the stories. The stories are typed by a special staff, justified, pasted up and then laid out by the editors. The pages are then sent to the print shop where they are photographed, and plates are made. After printing, the Chronicle is distributed to the waiting students.

STAGE CREW PROVIDES TECHNICAL AFFECTS

The stage crew is a club composed of between 15 and 20 boys which provides services to all groups wishing to use the stage. The club consists of a stage manager, assistant manager, a lighting tech. and a floor crew and lighting crew of about 15 boys.

Some of the crew's duties are the Senior Class Play, Variety Show, noon hour talent shows, and special programs.

NHS PROVIDES LEADERSHIP

NHS - an organization to which members are elected on the basis of academic achievement, service, leadership and outstanding character. Membership is limited to juniors and seniors. NHS is primarily a service organization interested in promoting high scholarship. The Custer NHS is affiliated with the National NHS and its members compete for the NHS scholarships.

CUSTER'S FLEDGLING TEACHERS

The Custer chapter of FTA is one of thousands throughout the United States. It is affiliated with the National organization. FTA is primarily a service organization and as its name implies is concerned with teaching. Hence, its number one objective is tutoring. Custer FTA members tutor their peers and assist in helping them succeed in academic subjects.

CUSTER'S CHEERFUL HOSTESSES

The cheerful and ever helpful girls with their white blazers and red skirts are Custer's official hostesses. Their many duties include ushering for Auditorium programs, conducting tours of the building for special guests, assisting college and vocational representatives during their special days, coming to school when other students have a vacation to show parents to the rooms, and they must always be ready to serve when called on unexpectedly. The requirements to become a Hostess include a B average and three teacher recommendations. The hostesses have their own fun activities together during the year. On the last day before Christmas vacation, they go out for a breakfast and exchange gifts. Their community service project is to give a party once a year for the young girls at the Home for Dependent Children.

CUSTER'S EFFICIENT CADET FORCE

Over 300 students comprise the cadet force under the direction of Mr. Louis Briska. The many duties of the Cadet Force include auditorium supervision before school, and hall supervision before, during, and after school. Hall supervision entails the checking of hall passes and checking for broken lockers.

Custer opened the season by trouncing Marshall 19-0. Wayne Zwicker scored two touchdowns as our offense ran all over the Eagles. A blocked punt, 3 fumble recoveries and 3 interceptions helped us to victory.

A non-conference game with Dominican was the first blemish on our record. Custer dominated play in the first half but numerous mistakes kept us from scoring more than once on Paul Pfersch's return of an intercepted pass. The final gun left Custer behind 20-7.

Custer returned to Conference action with a 7-0 victory over South. Penalties again handicapped the red and white but the Hatchet men completely stymied Souths' offense and Custer again brought the football home.

For the second time in three years, Custer and King played to a tie. Good defensive play by both teams, especially by our Indians, caused King to turn the ball over 10 times. Both teams scored in the fourth quarter to leave the scoreboard at a 7-7 deadlock.

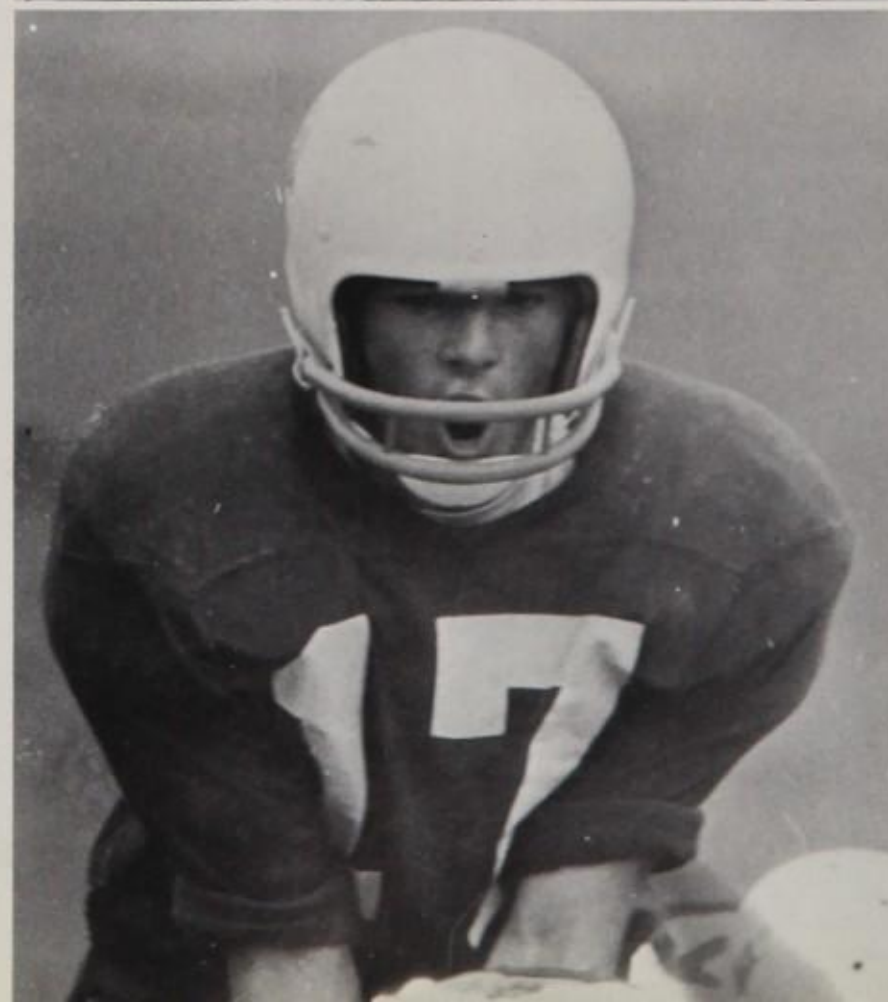

Custer knocked Riverside from first place 7-6. East scored a deflected pass but the extra point try was blocked. Custer tailed in the 4th period on a 5 yard run by Gil Baldwin. Joe Gruba kicked the winning point.

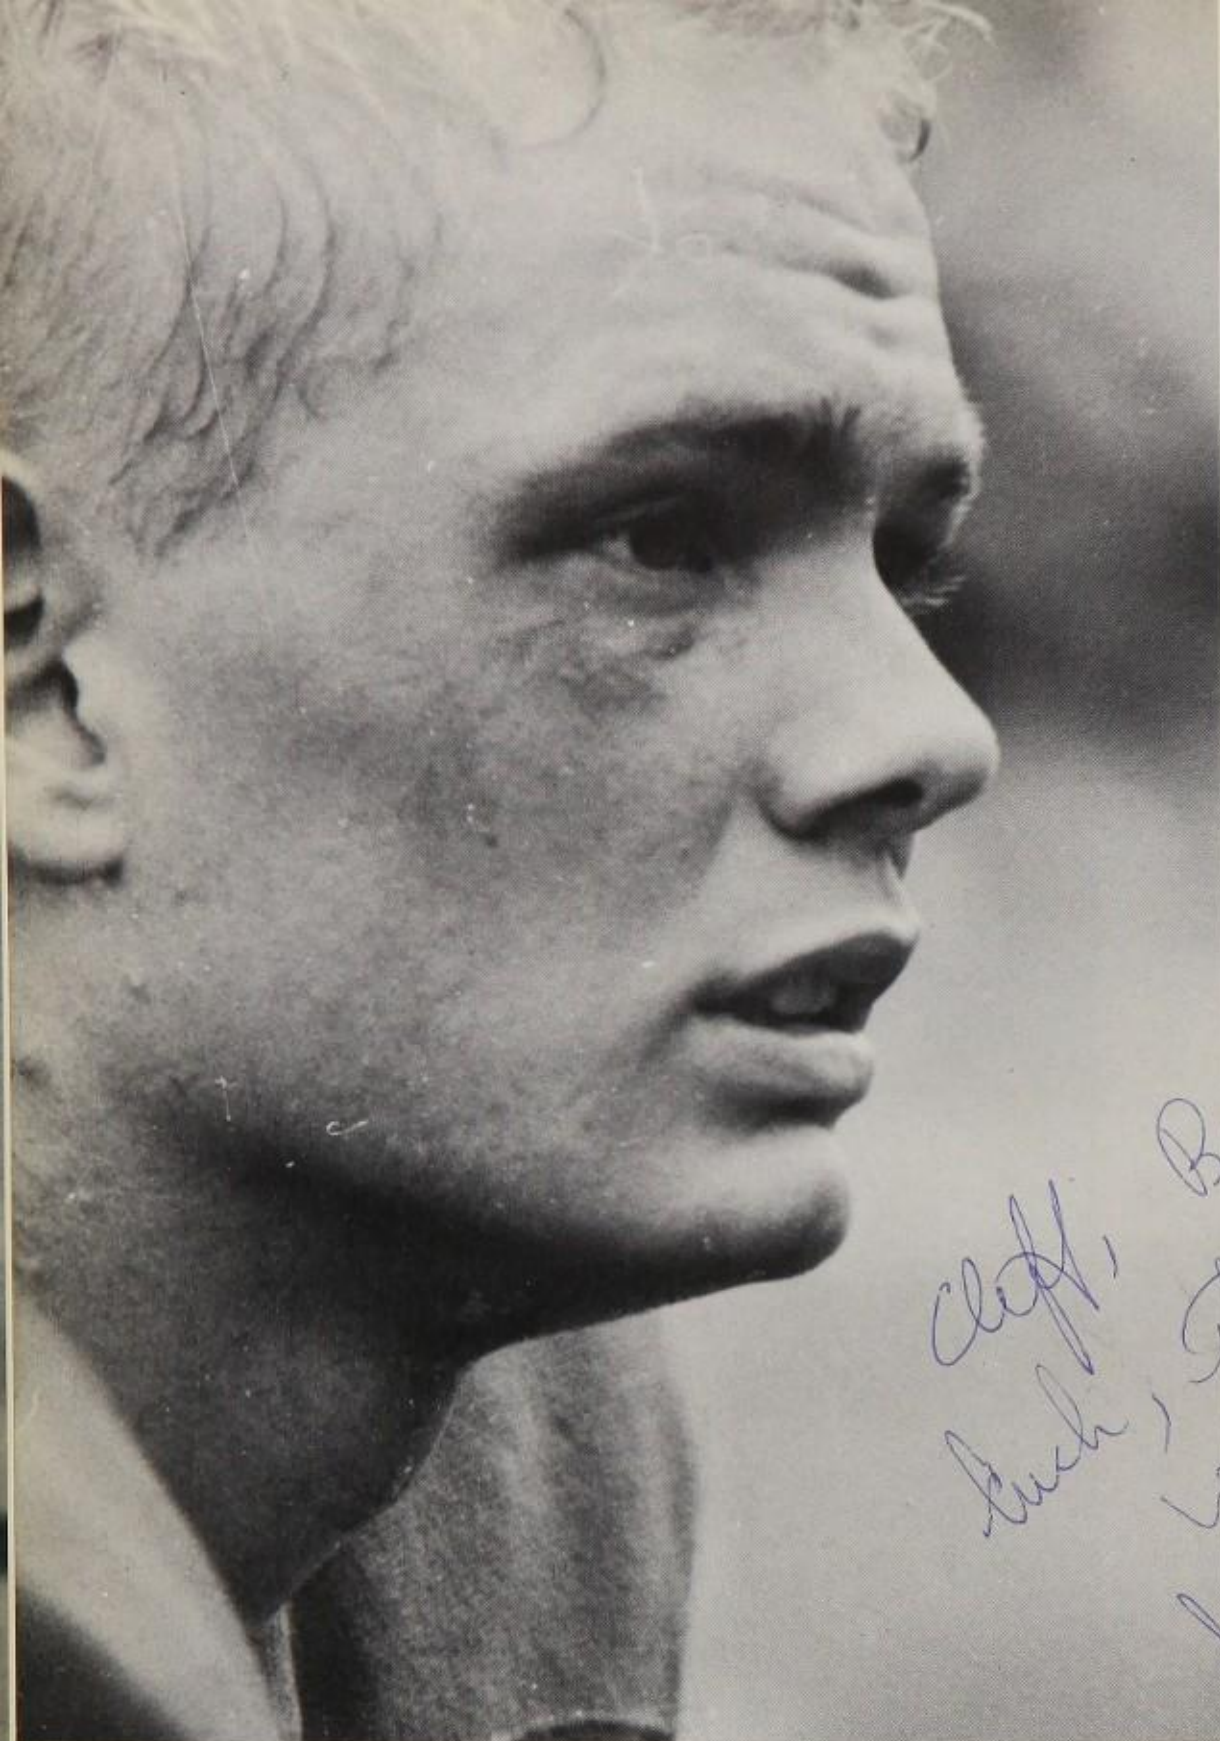

Custer lost its first conference game 19-12 to Lincoln. Three mistakes kept the score from being 12-0 as Gil Baldwin and Grant Rediske scored for Custer. Jim Gibowski again led the defense in containing a fast Comet Team.

Custer lost its Homecoming game to North Division 14-6. Injuries, penalties, and mistakes again hindered the Indians. A thrilling 44 yard pass play, Grant Rediske to Capt. Wayne Franke, kept us in the game.

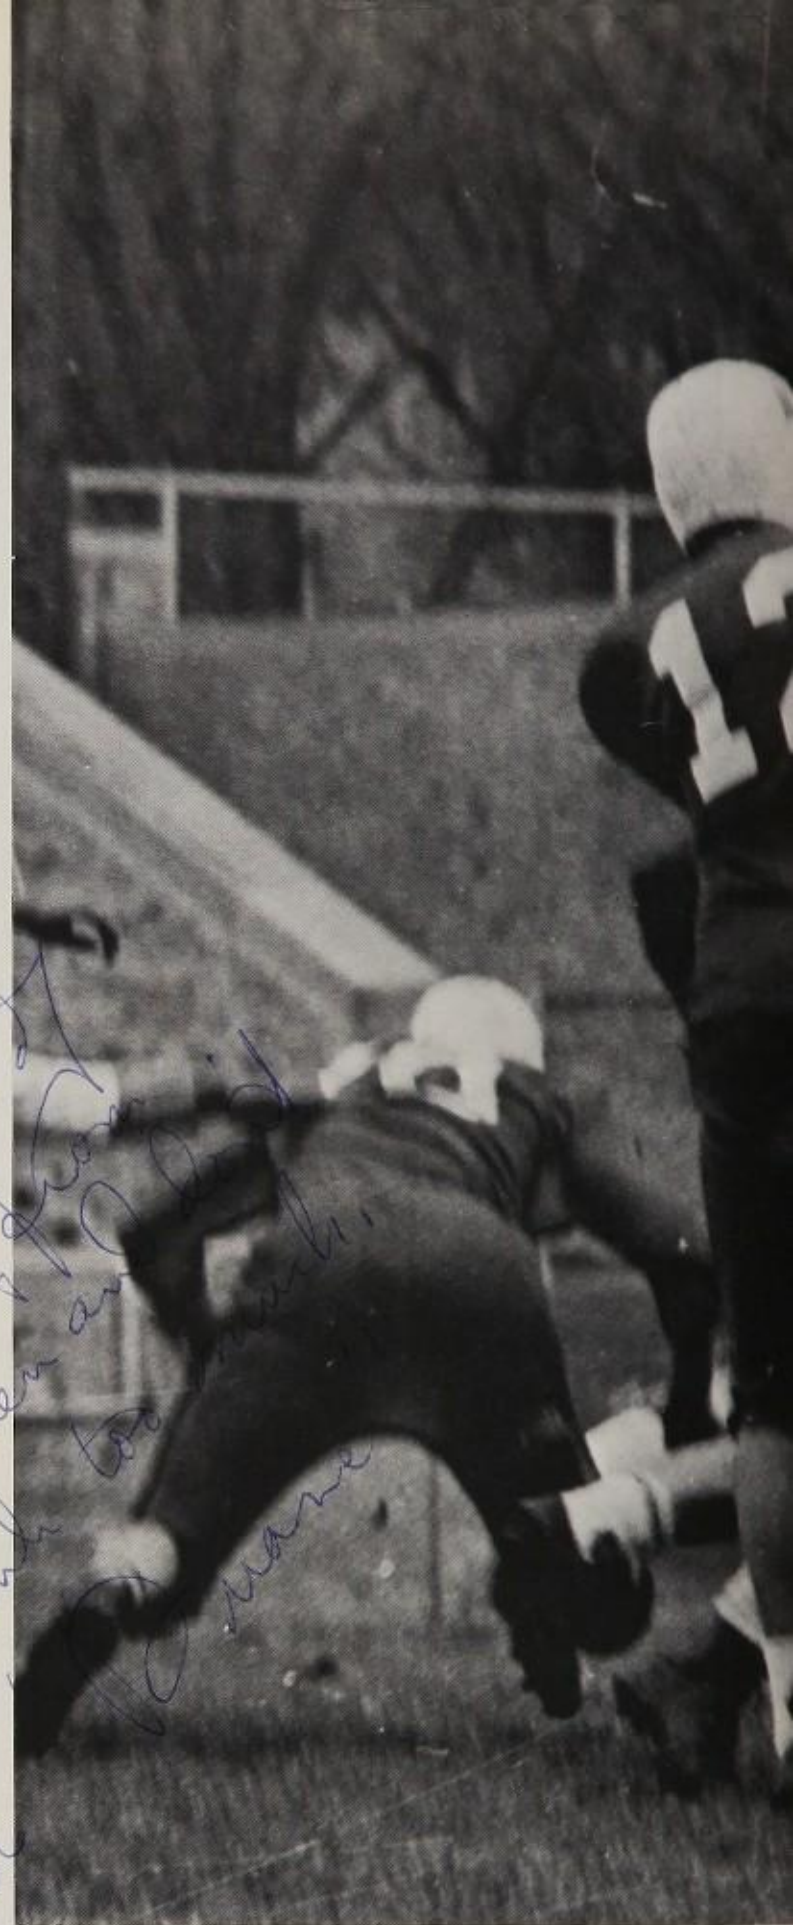

Boys Tech, Conference Champs, squeaked by our injured Indians 12-0. After Tech scored in the first half, our Hatchmen held them scoreless as the final gun sounded.

Custer finished the season with a win as the return of Paul Pfersch who scored on a thrilling 70 yard run, led Custer to a 14-6 win over Washington. Washington was stopped cold on the ground and through the air.

Custers' Sophomore Football team went from a ragged group of boys to a highly precision outfit. Beating every team we played except King, Custer's Sophs finished in second place. Congratulations should go to Coach Borszhowski and his staff for their fine work.

VARSITY BASKETBALL

Jim Carstensen, Gary Jesmok, Rod Jones, Dorsey Kemp and Terry Mosley were the spark plugs in the Indian basketball machine, that proved to have a real tiger in its tank this season by squeezing past Pulaski but picked up a string of victories interspersed with only a few losses.

Gary Jesmok began his season by averaging near 24 points per game and held the No. 2 spot in city scoring. Gary hit 24 against South, 24 against Tech and put out 30 tallies against West.

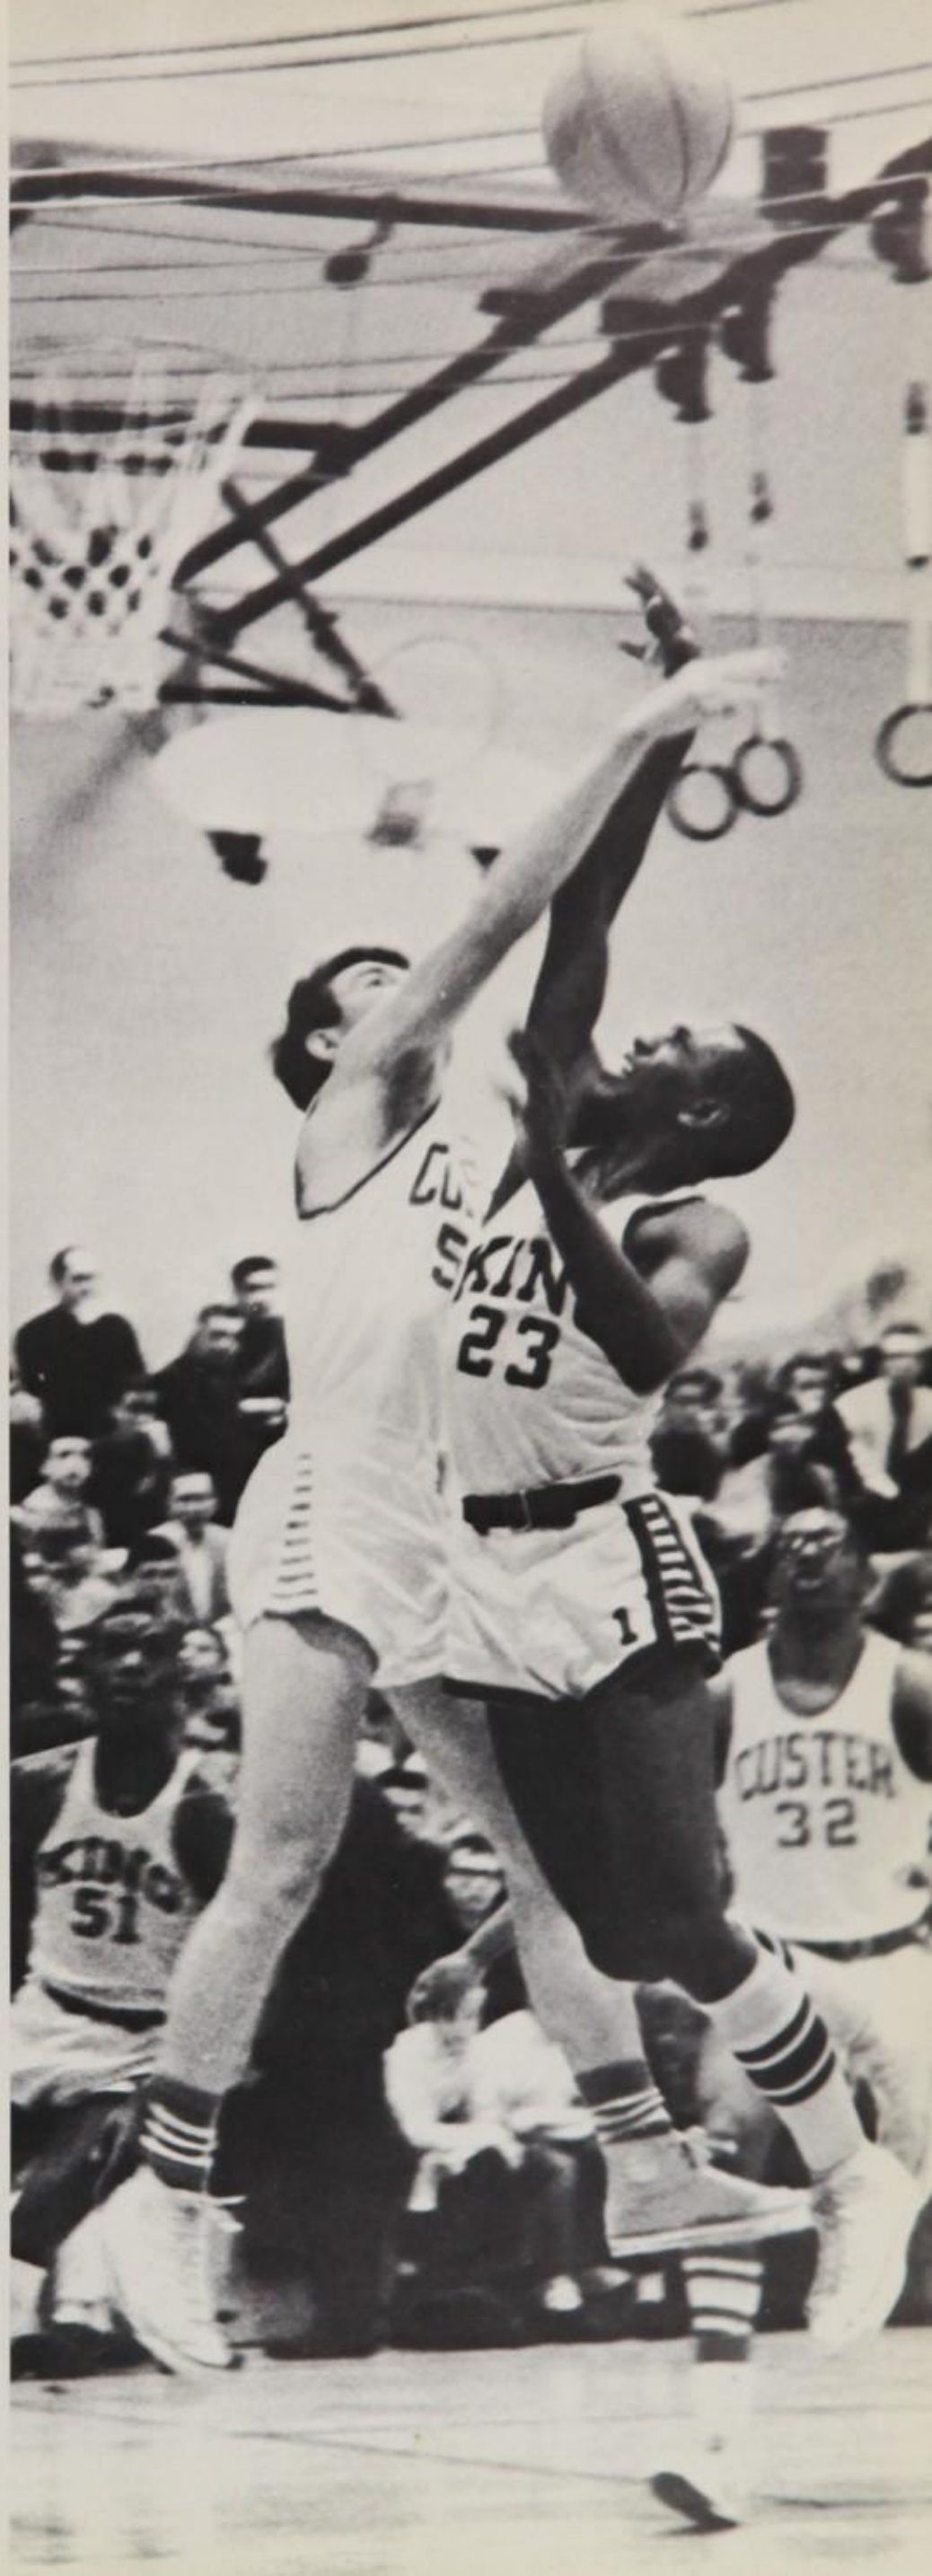

Some fine talent was shown by junior Jim Carstensen in all games but particularly against West where he jammed 31 points. Jim's sharpshooting often gave the Custer attack the extra spark required for victory.

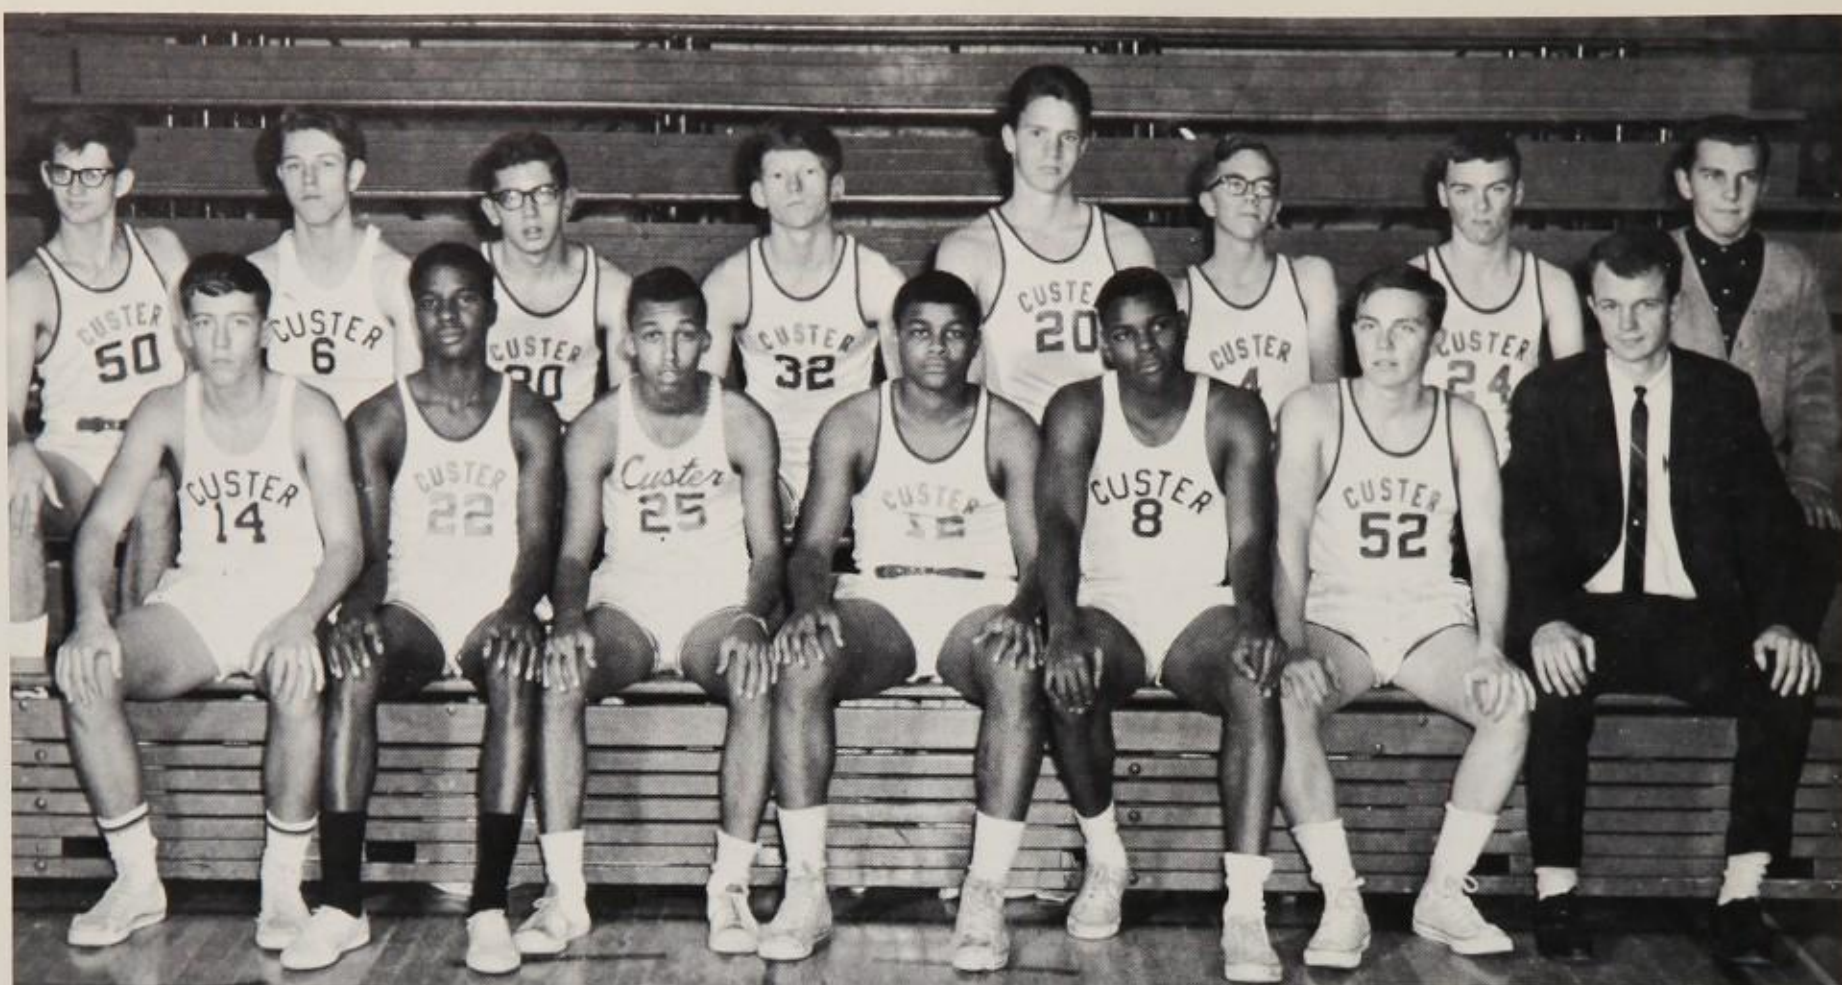

Early in the season the Indians took two breath-takers by extremely slim margins. Paul Pfersch made a layup in the fourth period and brought the score to a 62-62 tie that sent the game in an overtime session. Rod Jones made a desperation shot with two seconds remaining to steal the 66-65 victory from South.

North also took a bow to Custer as they were downed by only a slim 3 points. Among the teams on the Indian scalp list the revolution of Conference play were: Tech, King, Bay View, South, North, West, and Pulaski.

Depth was shown in abundance by reserves Wayne Franke, Jim Ackerman, Ernie Scott and Paul Pfersch. Craig Kapp, Grant Rediske, Eric Johnson and Bob Steffen also show promise from the reserve staff.

Returning starters for next year will include Jim Carstensen and Terry Mosley. Ernie Scott and Jim Ackerman should graduate to sure starting positions.

Custer's Wrestling Team finished high in the standings this year. Their 8-2 record was good for a third place tie with Washington. Marshall and South were the only teams to beat us, and they finished first and second in the conference respectively.

Four wrestlers placed in the city tournament. At 95 lbs., Les Davidshafer took 3rd; at 133 lbs., Mike Lacey took 3rd; at 165 lbs., Keith Perzyk placed 2nd; and Frank Susler was city champion at the 180 lb. class.

Frank Susler was the team's most outstanding wrestler with a 12-0-1 record going into the state tournament. Coach Borzykowski feels the boys have a real good chance in bringing a trophy home from the state sectional tournament.

Next year's team should be fairly strong, with returning lettermen Steve Ahl, Jim Klunk, Neil Hansen, Keith Perszyk, and Tony Adelmeyer. Sophomores who placed first in the Sophomore Tournament should also help the team. They are Gerald Haase at 95 lbs., Bob Konop at 120 lbs., Jim Boettcher at 133 lbs., and Cliff Bonneau at 165 lbs.

GYMNASTICS

This year Custer's gymnastic team had a fair season after having lost the greater portion of the team due to graduation. The outstanding gymnasts were Bob Schaefer, Jamie Ogas, Mike Hayes and captain Mike Coley. The latter three were the only returning lettermen. Some bright prospects for next year are Mike Hayes--tumbling; Bill Bub - side horse, and Russ Dahms - vaulter. "We didn't start out very good but we improved considerably at the end. We're young and should be very good next year," says Mike Coley. The outstanding man on the team was Jamie Ogas.

Custer started the swimming season with a young, new team. They were further hampered by the loss of some of their better swimmers through graduation.

This year Custer swam in many tough conferences. While their record wasn't as good as the previous year, they were defeated only by two teams in the city conference, Marshall and Boy's Tech.

Custer finished the 1965 track season with a 3-0 record in dual competition and a 1-1 record in triangular trials. Custer finished fairly well in the City Outdoor Meet and Relays. They finished fifth in the City Meet and fourth in the City Relays. In the City meet at North stadium Jeff Monson won the mile. Gil Baldwin and Flamont Butler placed third in the broad jump and the high jump respectively. Custer's mile relay team also placed in the City Meet. In the City Relays Custer's four mile relay team (consisting of Jeff Monson, Jesse Hodel, Louie Walters, and Bob Beyers) set a new record with a 19:03.9 time.

Coach Samson was replaced by Mr. Potter as head Coach for the '66 season. Coach Potter hopes that despite the youth and inexperience of this year's squad they will have a successful year.

The Indians will be led by Jeff Monson, Capt., and Gil Baldwin, Co-Capt., in the 1966 season. Ernie Scott, Flamont Butler, Bob Beyers, Kirt Schmidt, and Ken Harnack have returned to bolster the Custer team.

The 1965 Custer Tennis team under the coaching of Mr. Sorkin climbed to a fifth place finish in final standings. West, South, Pulaski, North, and Lincoln were unable to score against the Indians this season.

The outlook for the '66 squad seems rather misty. There are no returning lettermen and the bulk of the team is found to be sophomores. A bright spot is the return of last year's soph champ in singles, Jim Kunde; and reappearance of soph doubles champions, Jim Ackerman and Jim Carstensen. Coach Sorkin feels the team will finish fair but could just finish high.

GOLF

Custer's '65 golf squad placed high with a third finish in the City Round Robin Golf Tournament, but more is expected of this year's 1966 team.

Returning lettermen are Ron Wilke and Tim Kussman. Fifty new prospects promises excellent competition for solid contenders East, Pulaski, and Washington.

In the city tournament the Indians are expected to do well under the leadership of Wilke and Kussman.

CITY CHAMPIONSHIP TEAM

Bottom Row: Bob Leiberg, Jamie Ogas, Wayne Franke, Coach Denmark, Dave Gunderson, Scott Lawrence. Row 2: Steve Fringer, Joe Gruba, Mike Dobson, Roger Plauman, Terry Novesky, Dale Biallas, Kurt Corralline. Top Row: Paul Pfersch, Bruce Yenor, Tom Lovering, Ron Conway, Craig Kuske, Gary Jesmok, Al Nagle, Keith Perszyk

Custer brought home the 1965 city conference baseball championship, plus a 20-3-2 record and eight shutouts. With the fine pitching of Ross Lammers, Tom Lovering, Paul Pfersch, and a team batting average of .294, the Indians made quick work of all conference foes.

Bruce Yenor, C; Joe Gruba, 1B; Paul Pfersch, 2B; Gary Jesmok, 3B; Mike Dobson, SS; Scott Lawrence, LF; Wayne Franke, CF; Jaime Ogas, RF; and Ross Lammers, pitcher, were the talented starters that took 20 wins and suffered only 3 blemishes on their city record.

Franke, Dobson, Lovering, Gruba, Pfersch and Yenor turned in an outstanding year. Yenor and Franke were selected for All-City second team honors. Pfersch took the team batting average with a .427 average as Lammers picked up a 7-0 pitching record and a no-hitter against Lincoln. It was a sensational year with much talent stocked even behind the starters.

This year Custer will bolster its ranks with these returning players: Pfersch, Jesmok, Ogas, Novesky, Plaumann, Lawrence, Gruba, Corraline, Nagle, Lieberg, Gunderson, Fringer, and Perszyk. The roster suggests another prosperous and exciting year.

Jackie Franske

Nancy Geisler

With the January graduation of Captain Nancy Geisler and Co-Captain Jackie Franske, two members from the B-Team cheerleaders were promoted to the Varsity Squad. These girls were Sue Blair and Kathy Diamond. Sally Maki was chosen to complete the school year as Varsity Captain.

B-Team Cheerleaders

Barbara Strauss, Linda Herbst, Kathy Diamond, Carol Kenyon, Sue Blair, Jeanne Schroeder, Laurel Schwert, and Patty Wilson

DRILL TEAM

Under the direction of Miss Vogl, the Drill Team provided colorful entertainment during half-time activities at football and basketball games. New formations and maneuvers were designed this year by Captain Jeannine Doege.

Custer's Drill Team also participated in Homecoming ceremonies and Talent Shows.

The fall officers are: Jeannine Doege, Captain; Karen Greenwood, 1st Lieutenant; Kay Konop, 2nd Lieutenant; Betty Balenger, 3rd Lieutenant, and Penny Winters, 4th Lieutenant. New Officers will be elected for next year.

Bottom Row: W. Reese, J. Groth; Row 2: G. Noggle, J. Jansen, L. Richter, L. Lucas, D. Landgren, J. Langlois;

G.A.A.

Bottom Row: Miss Barwind, Cheryl Hoyt, Treasurer; Gwen Hoffman, President; Linda Fischer, Vice-President; and Miss Bennett.

With the assistance of Miss Barwind and Miss Bennett, numerous events filled the G.A.A.'s schedule this year. Aside from basketball, volleyball, badminton, track, baseball, flag football, swimming, gymnastics and tennis, Custer's G.A.A. attended various playdays and sportsdays at other schools. Several girls also took advantage of a camping weekend near East Troy, Wisconsin.

Special activities consisted of a gymnastics meet, an interclass swim meet, a volleyball game between the teachers and champion G.A.A. team, and the annual All-Star G.A.A. vs. Cheerleader basketball game.

Topping off the year was a banquet, at which all girls received awards they had earned.

NAIDAS

Top Row: Debbie Thomson, Angela Graff, Linda Fischer, Vicki Habel, Carol Witt, Jill Hansen, Sue Brunsch, Donna Bywater, and Miss Barwind. Bottom Row: Linda Hanauer, Diane Andreshak, Sue Olson, Chris Voss, Diane Duic, Nan Spenser, Denise Meredith, and Barbara Sharak.

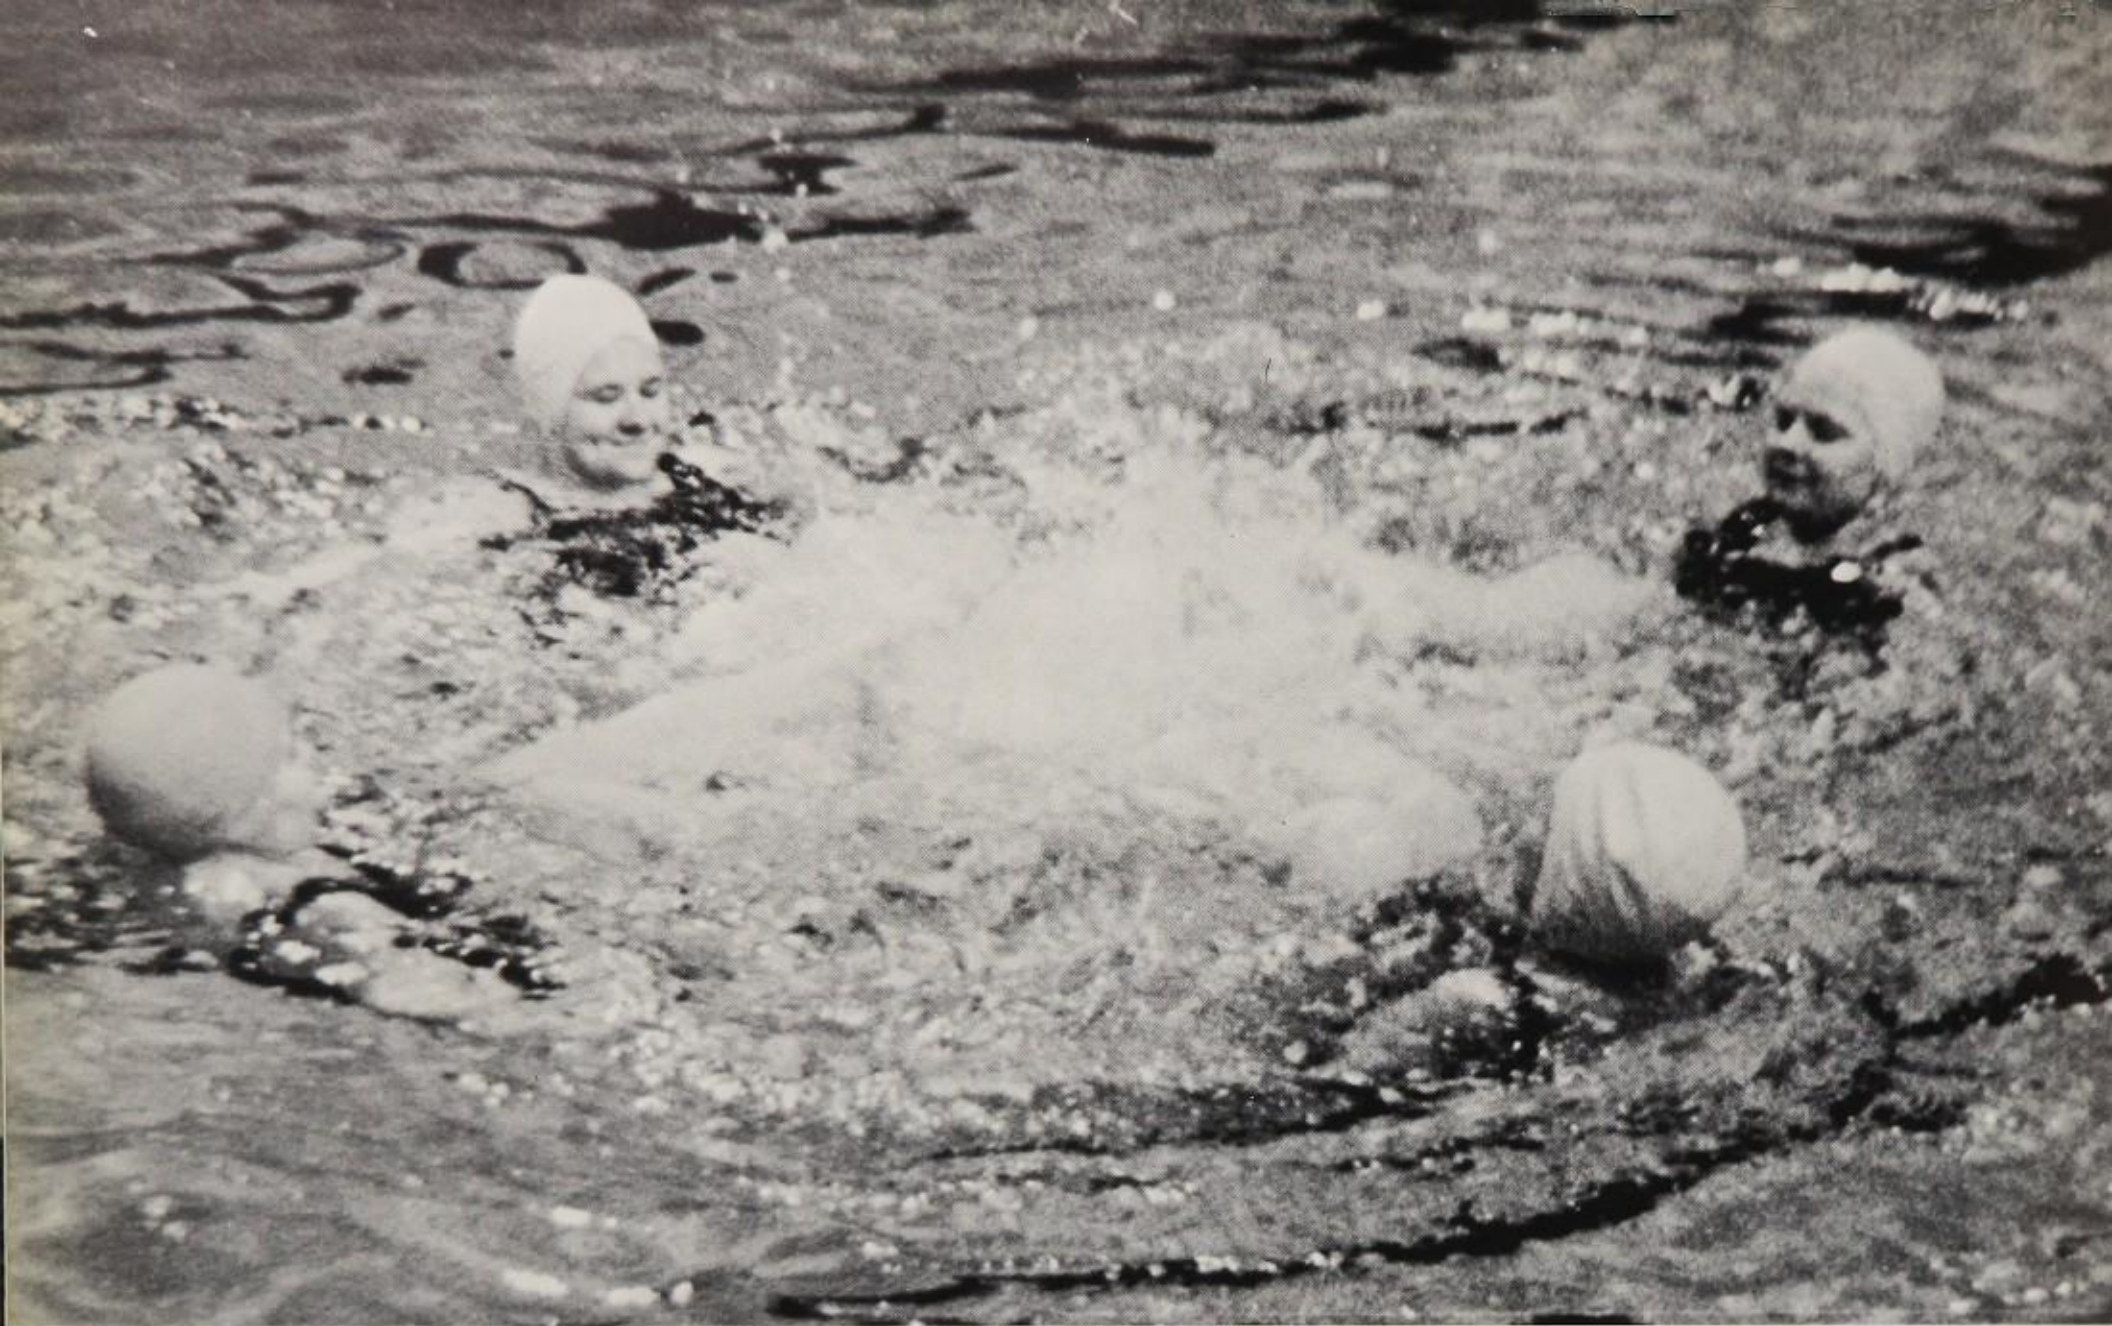

Custer's Water Ballet Club, guided by Miss Barwind, presented its annual show on April 28, 29, and 30. A great deal of work was put in by the girls both before and after school in preparation for this event, entitled "It's a Jolly Holiday."

The Naidas also participated in this year's Fun Fair, performing in three fifteen-minute shows.

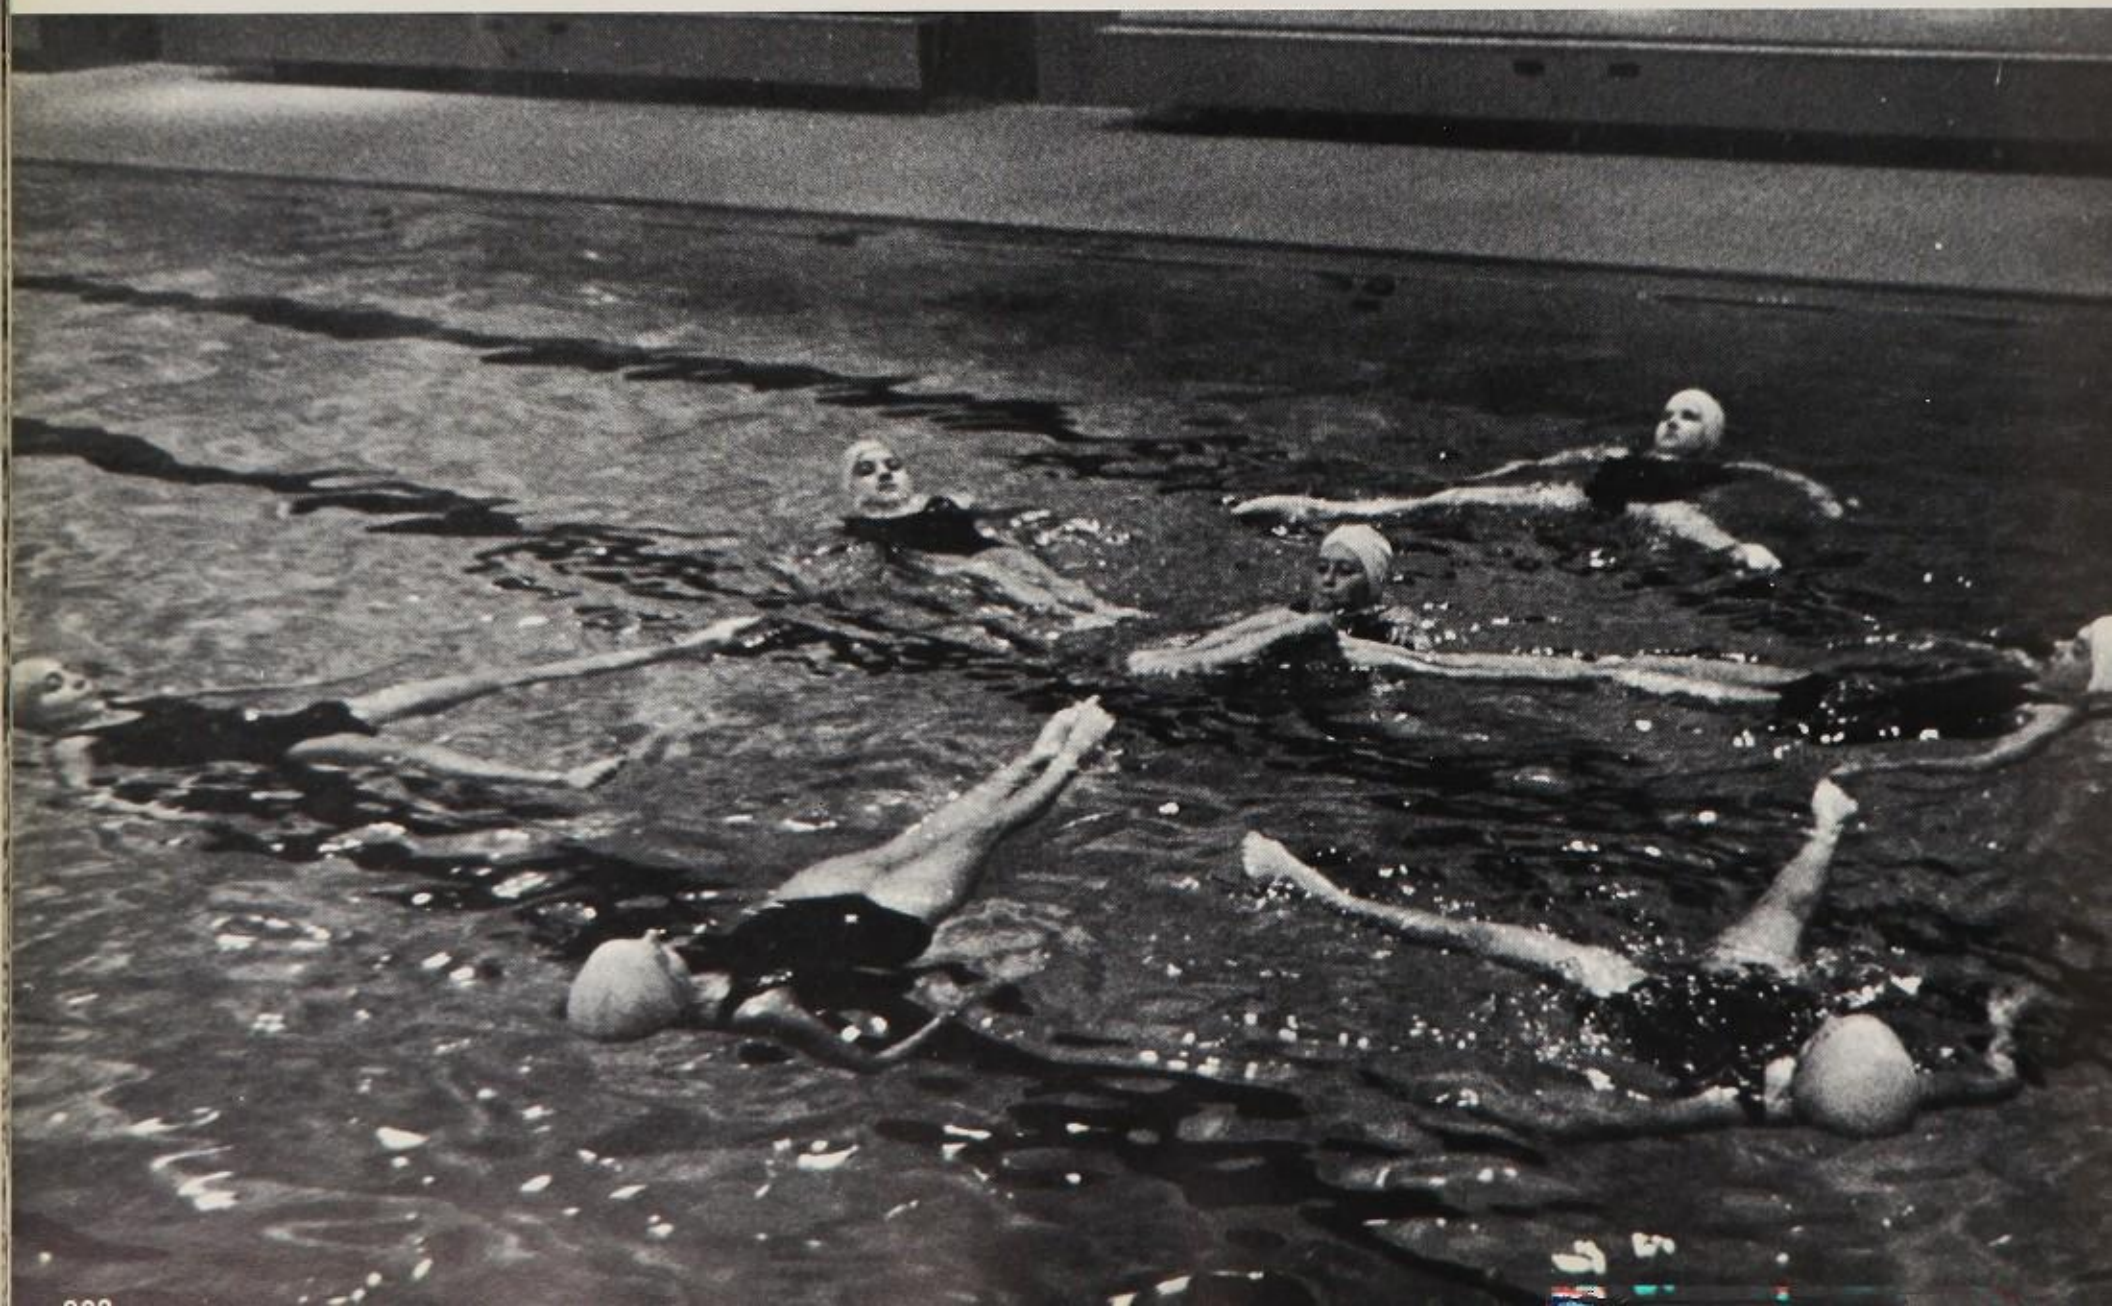

Rounding out the club officers are: Donna Bywater, President, Vicki Habel, Vice-President, Sue Brunch, Secretary, Jill Hansen, Treasurer, and Sue Olson and Linda Fischer, Historians.

D. Bywater, V. Habel, S. Brunsch, J. Hansen, L. Fischer, and S. Olson.

Exemplifying their ability to make "It's a Jolly Holiday" a spectacular show, these Naidas exercise their routines for the performance with ease.

Darlene Daniels, Vice-President; Cheri Slottke, Marianne Weisel, Diane Henner, Kathy Foate, President; Nancy Mc-Henry, Florreen Leidgen, Nancy Herbst, Kris Foate, and Kathy George, Treasurer.

ROCKETTES

The Rockettes, sponsored by Mrs. Sheahan, have provided many with colorful entertainment. Various members have performed before audiences at basketball games, Talent Shows, and the Variety Show.

Probably one of their more enjoyable activities was their participation in one of the numbers of the Naidas annual Water Ballet Show.

Sporting a variety of costumes, the Rockettes have added color, originality, grace, and pleasure to many occasions.

An end

or a beginning?

There was a time when a high school diploma could be considered an end — sufficient education for the job ahead. But no more. Not in these days of ever-advancing technology and intense individual competition. Now, whether you're planning on a white-collar or blue-collar job, the requirements are much the same — more knowledge, more skills, **more education**. And that means study beyond high school.

The decision is yours. Make it carefully, for it will probably be the most important one you'll ever make. We at Allis-Chalmers hope it will be for further study. Deeply involved in space-age technology ourselves, we know first-hand the crucial importance of special skills and education. Just as you will, in the future—**when it counts**.

Cliff
So the greatest
artist ever had
good luck in the future
and have a good summer (celebrate)
Dave & Jerry

Cliff
So you're the
great artist. We
got some good laughs
out of those pictures.
Good luck + keep trying
Stephens
Holasek

Cliff,
You're not only
very talented
but very nice, too!
Don't ever lose your
easy-going manner!
Always,
Gamine Saget 1966

Best mixed English
to a great and gay
student. Fuck always
Maureen Saget
June 1966

Hey Cliff,
So the greatest
Roman artist that lived
up our Latin class with
your cartoons!
Best of luck
Sally Maki

Cliff
Well we made it
through history and
had a great time and
working and you will go
far. Be Good
Best of luck
Jan Walther 1966

Cliff -
You a great guy
in class's math class
Good luck always in the
future
Your friend
Gary Brant

Cliff -
you're one of the
most original writers
I know - you really
improved our English class!
you're a swell guy -
stay that way!
- Renee Redlick

Cliff -
To a real great guy in Adv. Math 5,
I liked your report. !!! Good
luck in the future
Chuck Siebert

From one great artist
to another
Mike Siebert
